

## Scholarship Announcement

### Scholarship for the MBA Programme „European Management“ from winter term 2024/25

„Postgraduate continued education for scientific female staff at Saarland University“

#### Target Group:

The scholarship is offered to female doctoral candidates and female post-doctoral fellows who are looking to gain a leading position in an international company after their employment at Saarland University.

#### The MBA Programme:

The MBA programme European Management has been providing excellence in executive education since 1990 and has been state-approved from the beginning. The programme is tailor-made for practitioners, international graduates, entrepreneurs and scientists who want to accelerate their career. Covering state-of-the-art management basics combined with a high focus on practical relevance, the MBA will equip participants with fundamental knowledge and managerial skills highly sought after by leading international companies. The programme consists of 15 classes (usually taking place from Wednesday to Saturday) as well as the Master's thesis. All classes are taught in English language. The programme can be finished in full-time (1 year) or part-time (up to 4 years). From the winterterm 2024/25, additionally to the traditional focus on "Behavioural Management", a new elective area with a focus on Entrepreneurship can be chosen.
